Aims and Scope

Introduce the new peer-reviewed, open access journal entitled Journal of Educational Research and Policies (JERP) is an international open access journal publication by Bryan House Publishing Limited. It is a new academic journal in the field of Educational Research and Policies. Works appropriate for publication in JERP include theoretical syntheses, conceptual models, position papers, literature reviews, and empirical research papers using quantitative or qualitative methods, or both.

All manuscripts must be prepared in English and are subject to a rigorous and fair peer-review process. The journal publishes original papers including but not limited to the following fields:

- Educational Science
- Educational Psychology
- Elementary Education
- Health Education
- Higher Education
- Language Education
- Secondary Education
- Student Affairs
- Teacher Education
- Educational Technology
- Business Education
- Distance Education
- Educational Administration
- Educational Foundations
- Educational Measurement and Evaluation Education

We are also interested in: 1) Short Reports - 2-5 page papers where an author can present either preliminary data or an idea with theoretical background but has not yet completed the research needed for a complete paper; 2) Book Reviews - Comments and critiques.
